

Belief Statement and Pastor's Pledge

I, _____, state that my theological beliefs and practices are in accord with _____ Baptist Church. I wish to state that I do not hold to a reformed or Calvinist doctrine and the Pastor Search Committee has questioned me comprehensively in this area of concern.

With integrity of heart, I have heard the statements of the Pastor Search Committee and can say with certainty that if my theology ever changes to a Calvinist doctrine, I will share with the Staff and Deacons my new beliefs and work with them in transitioning me and my family to a new place of ministry that is more in line with my new theological stance.
